

We Do It Differently

Roofing services with honesty, integrity, and love for the greater Seattle community.

Schedule an Appointment

We will talk with you about your roofing project and schedule a time to meet with you to discuss roofing options.

House Visit

One of our project managers will meet you in your house, evaluate your project, show you different materials that match your needs and will give you an official estimate.

Start Date

Our project manager will contact you a few days before we plan on starting the project to notify you and to make sure everything is ready.

Project Completion

After Roof replacement is completed and invoice is paid we will deliver our warranties. We will also be available to answer any questions you may have.

Installation

You will hear from us 3-4 days before the job starts. We will also explain when material, dumpster and portable restrooms will show up.

Free Roof Cleaning Voucher

We will proudly give you a NearMe Roof cleaning Voucher (\$899 value!) that never expires. This will be a great opportunity to check out the NearME Roofing cleaning experience and to see your roof sparkle!

Paperwork

Before work begins, there will be quick and simple paperwork to complete
